# FRIDAY

2:00 PM- 3:30 PM

## Kickoff "Red Ball" Meeting - Peninsula D

A "Red Ball" is a common way for the first meeting of a conference to begin. It starts off with the leader opening up with a quick share of 5 - 10 minutes and then throwing a ball out into the crowd when they're finished. Whomever the ball hits (softly!) goes up to the front and shares for a couple of minutes and then throws the ball back out again. Since this is also our first meeting, we will be lighting the "Conference Candle" at this meeting which will be kept lit all weekend until the last meeting on Sunday. It will reside in the marathon meeting rooms for the rest of the time except when the nightly speaker meetings are taking place. This was a tradition started years ago at the Southern California Convention and has carried over to the World Conference.

## "IMPROMTU A.A. MEETING - SANDPEBBLE

For those who just can't get enough A.A. and sleep deprivation, this room is available to WACY all night long.

5:00 PM - 7:30 PM

## BONFIRE MEETING

This is a SF Bay Area tradition (even more so than the Rolladium!) that has been going on for some time. It has been hosted by different groups including ACYPAA, EBYPAA, Legacies, WACYPAA, MCYPAA, and tonight's Host, PENNYPAA (Peninsula Young Peoples Group). The bonfire is on the end of Sloat on the Great Highway in SF's Ocean Beach. The fire is huge, but it gets cold out there so make sure you dress warm. Meet in front of the hotel at 3:30 PM to carpool out there with people.
